REPORT DATE: 7 June 2024
OFFICER DISCLOSURE OF INTEREST: Nil
PREVIOUS MEETING REFERENCE: 21/11/2018 (141/18) Item 9.1.4
AUTHOR: Travis Bate (Financial Consultant RSM)
ATTACHMENTS: Certificate of Title for: Lot 50 Ferguson Street, Miling (A915)

PURPOSE OF REPORT

The purpose of this report is to provide information that supports the write-off of rates and service charges outstanding for assessment A915 (Lot 50 Ferguson Street, Miling) of \$15,077.71 on 31 May 2024. It is recommended that Council approve the write-off of monies pursuant to section 6.12 (1) (c) of the Local Government Act 1995, ownership of the properties has now passed to the Shire.

BACKGROUND

Rates and service charges on the property has been outstanding since 2008.

- On or around 25 October 2012, a General Procedure Claim was lodged in the Magistrates Court of Western Australia for recovery of outstanding rates and charges ("Claim").
- The Claim was serviced on an officeholder of the Owner on 19 May 2013.
- On or around June 2013, the Shire chose not to take any further action in relation to the Claim at that stage and instructed CS Legal, the solicitors for the Shire in relation to the Claim, to discontinue the Claim.
- The Shire has not attempted to recover the outstanding rates and service charges through legal proceedings since the Claim.

- An appraisal of the Property was conducted by a licensed Real Estate Agent which estimated a value of the Property between \$8,000.00 and \$10,000.00.
- If the Shire was to instruct CS Legal to commence further proceedings against the Owner and those proceedings were defended. CS Legal estimates their fees to be between \$10,000.00 and \$50,000.00, which could exceed the estimated value of the Property.

At the 21 March 2018 Ordinary Council Meeting, Council passed the following resolution:

141/18 Moved Cr Hamilton, seconded Cr Nixon pursuant to section 6.68(2)(b) of the LGA, the Shire resolves to exercise its power of sale over the Property noting that the Shire of Moora as not made any attempt to recover the outstanding money under 6.56 of the Local Government Act 1995 (WA) because we reasonably believe that the costs of proceedings under that section will equal or exceed the value of the Property.

CARRIED 7/0

Transfer of title of ownership to the Shire has been successfully completed with title date being 2 December 2021. Property able to be sold by Shire.

Outstanding rates and service charges on the property to be written off: \$15,077.71.

PURPOSE OF REPORT

The purpose of this report is to recommend that Council endorse a location for the construction of the Kerkhoff Carnaby Cockatoo structure.

BACKGROUND

The Kerkhoff Carnaby Group was formed to raise funding for the construction of a large, approximately 11 metre high, Carnaby cockatoo structure in recognition of the species status. At its meeting of 16 November 2021, Council gave in principle support to the Kerkhoff Carnaby Cockatoo structure being in Apex Park – decision 62/2021. The Kerkhoff Carnaby Group (KCG) has continued its fundraising for the project and worked on the design brief. The Shire of Moora is being pressed for the construction to commence in Apex Park.

COMMENT

The KCG and the Shire are working through the Kerkhoff Carnaby Group Working Group (KCGWG) to advance the project and progressively resolve key project stages. The Working Group has mutually agreed the:

- Shire's reaffirmation of its in-principle support for the project;
- Kerkhoff Carnaby project and all its facets, is and will remain the responsibility of the KCG up to the conclusion of construction and hand over to the Shire;
- Location for the structure is a priority issue.

The KCGWG and Shire have investigated locations for the structure in Apex Park, the Moora Bowling Club and on the Carnaby Cockatoo Walking Trail adjacent to the Moore River at the south-western corner of the Sports and Recreation Precinct. The KCG would prefer the structure to be constructed in Apex Park. While the Shire respects the KCG's preference, the Shire would prefer the structure to be built on the Carnaby Cockatoo Walking Trail.

The Carnaby Cockatoo Walking Trail is a viable alternative location for several reasons, including;

- greater flexibility because it is unrestricted/unencumbered by existing services and capable of considerable further development;
- close proximity to visitor services and infrastructure;
- existing road, parking and footpath access, and minimal traffic hazards;
- minimising the economic costs to the Shire at a time of increasing costs;
- relieves pressure on Apex Park and its services, and avoids the cost and disruption of considerable development;
- opportunities to leverage cost sharing in conjunction with re-development of the sport and recreation precinct; and
- capturing the relationship between the known and identifiable trail and the Carnaby cockatoo.

STRATEGIC IMPLICATIONS

There are no known strategic implications associated with this proposal.

SUSTAINABILITY IMPLICATIONS**➤ Environment**

There are no known significant environmental implications associated with this proposal. The proposal places the structure in an environment that is sympathetic to the Carnaby cockatoo's natural habitat and will provide a landmark point on the Carnaby Cockatoo Walking Trail.

➤ Economic

The proposal to construct the Carnaby cockatoo structure at the Carnaby Cockatoo Walking Trail location will enable the Shire to combine several bodies of work with the development of the Sport and Recreation Precinct. Development / preparatory work at the walking trail site will be less complex and costly due to the absence of extensive services in the area. The location is well positioned for support due to the present of the Shire's gardening team on that site.

➤ Social

There are no known significant social implications associated with this proposal.

FINANCIAL IMPLICATIONS

This project will be an additional cost to the Shire. It will have both, construction and implementation costs and importantly, ongoing annual costs related to its maintenance, repair and insurance.

VOTING REQUIREMENTS

Simple Majority Required

COUNCIL RESOLUTION

50/24 Moved Cr Bryan, seconded Cr Seymour that Council endorse the construction of the Kerkhoff Carnaby Cockatoo structure at the south-western corner of the Moora Sport and Recreation Precinct on the Carnaby Cockatoo Walking Trail site, adjacent to the Moore River.

CARRIED 5/2
